

The New All-Electric ZEEKR X.

ZEEKR X
New Luxury Versatile SUV

Exterior

Double-edged Daytime Running Lights

Adorned with 56 independently controlled LEDs.

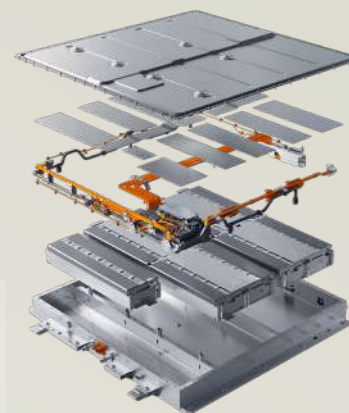

Modern Taillights

Lightweight organic glass with 229 LEDs enhance the ZEEKR X's appeal.

66 kW Lithium - ion Battery

Powered by a Li-ion ternary battery pack with a capacity of 66 kWh.

High Performance Motors

A single motor system delivers 200kW & a dual-motor system 315kW which allows an acceleration of 0-100km/h in just 3.8 seconds.

ZEEKR Autonomous Driving

Enhanced safety & awareness with five HD cameras, five millimeter-wave radars & twelve ultrasonic radars.

Concealed Charging Port Cover

The AC & DC charging port is concealed in the rear, creating unified body.

Frameless Front Mirrors

The sleek frameless front mirrors feature electric folding & position memory function.

Interior

Panoramic Sunroof

The smart panoramic sunroof provides a new definition of luxury.

Comprehensive Airbag System

7 airbags, front airbags encircle passengers, offering 360-degree head protection, while side curtain airbags extend to the A-pillar, ensuring optimal coverage for all occupants.

YAMAHA Surround Sound System

Indulge in the immersive audio experience provided by the 13 speakers.

Intelligent Cockpit

Complex needs are met effortlessly.

“Ice Block” Ambient Lighting

The cabin is exquisitely adorned with 17 sets of ambient lights, offering rhythmic effects.

Zeekr X Specification
